Dear Student and Parents/Guardians,

My goal for 2009 was to get a website up and running. I accomplished this last November, so I wanted to make sure the students and the parents/guardians are aware of the many benefits it offers. The Website also serves another purpose: to achieve my goal for 2010, which is to make sure I clearly communicate with parents/guardians to ensure success for every student.

To encourage students and parents/guardians to visit my website together, I have designed an assignment. Below are four questions that I would like student and parent to answer together. This assignment will be worth 5 points, and it will due January 15. I also encourage you to bookmark the Website and use it as a tool to help the students succeed.

1. What is this week's Eight Ball Question? What was the answer?
  
2. What is this week's Homework Help?
  
3. Fill in the blanks:  
Struggling in \_\_\_\_\_ is not the enemy, any more than sweating is the enemy in \_\_\_\_\_; it is part of the process, and a clear sign of being in the \_\_\_\_\_.
  
4. List 3 things a student can do to improve her/his grade:
  - a.
  - b.
  - c.

Thank you for taking the time to visit my website with your student. If you would like to have access to information

that you do not find on my Website, please e-mail me the suggestions.

Thanks again,

Mrs. Wood

Please sign back side and return by January 15.

I reviewed Mrs. Wood's website and answered the above questions:

\_\_\_\_\_  
Parent Signature

\_\_\_\_\_  
Student Signature

I currently do not have Internet access and was unable to complete assignment (student will still receive the 5 points for this assignment)

\_\_\_\_\_  
Parent Signature

\_\_\_\_\_  
Student Signature
